PROBATE RECORDS see also WILLS

Wills before 1875 were proved in Commissariot Courts.

The areas covered by Commissariot Courts pre 1800 in Scotland relate to Church jurisdiction and not county borders so more than one Court can cover a County.

The Commissariot Court of Edinburgh had jurisdiction for the whole of Scotland and abroad and should also be checked.

These Testaments are for personal property only.

The Library has a complete set of Indexes for pre 1800 Commissariot Court Wills.

The Commissariot of Edinburgh was the main court and covers all of Scotland and Overseas as well as the local area and should always be checked.	Fiche T11-T23
The Commissariot of Dunkeld covers the following parishes in East Lothian - Aberlady .	Fiche T10

British Probate Calendar 1858 - 1898

Contains English and Welsh Wills and Administrations as well as some Irish and Scottish entries. Entries can also be found from around the world and from deaths many years earlier. (See <i>Guide</i>) Where a Scottish Testator also held property in England, for the years listed below, wills were also proved in London , and indexes to these are found at the end of the films listing English probate, on the last film for each year after the letter ' Z.' <i>1858 to 1866 inclusive</i> <i>1869 to 1876 inclusive</i>	Film
